SUPREME TEMPLE WAYS AND MEANS

Dear Sisters;

On behalf of the Supreme Chief Sandra Symons we thank you for your support of the Supreme Temple Ways and Means. As the new Supreme Junior one of my duties is to work as Chairman on the Ways and Means Committee which is an honor. Our goal is to raise money for our wonderful order and I believe we can achieve this goal.

We are sending this catalog to all Subordinate Temples in the hopes that everyone gets a chance to look at it and place an order with me. Attached is the catalog and the order forms with our new promotional items that are for sale for the next 2 years and hopefully longer depending on the sales.

This catalog has its limits, however, if any Sister has any other ideas or suggestions for new items that we could create and add to the catalog please send the information to me and I will source them out to see if it is available.

We are hoping that the catalog and order forms will be made available on the Pythian website for you to download and take a look.

Regarding the shipping of the promotional items, if a temple buys in bulk there is a \$15.00 charge for shipping, however if you only have a couple of items and can be put in a small postal envelope the cost will come down, however you need to call me to discuss. As I work full time, please call after 5:00pm MST.

Love in P L E & F

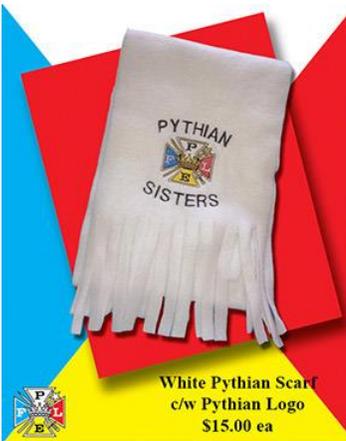

Joan Way, Supreme Junior

Chairman of the Supreme Temple Ways and Means

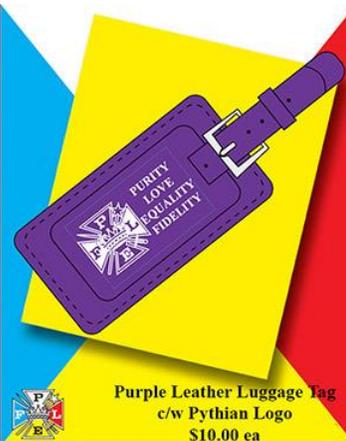

Supreme Temple
